The Mayor and Fire Wardens shall have control and management of the public property now pertaining to the Fire Department of the said City of Victoria, and shall from time to time in their sound discretion, always subject to the approval of the Council, purchase, add to and acquire when necessary, or sell and dispose of, when not required for the use of the Department, engines, hose carriages, hose and such other property as the exigencies of the Department may require. The Mayor and Fire Wardens shall, on the first day of January of each year, or so soon thereafter as practicable, report to the City Council the estimated amount of salaries and other necessary expenditures of the said Fire Department for the ensuing year.
